

From 04-18-17 through 04-20-17, I hand delivered and/or placed Inmate Cop-Outs, into the institution mail box for H.U F-A officers John Doe, Capt. John Doe, Warden Cookley / Aw Keys, Warden Cookley / Aw Keys, Unit Manager M. Bridges, H.U F-A ^{John Doe} Officer, H.U F-A ^{John Doe} Officer, Counselor F. Vankirk, Warden Cookley / Aw Keys, explaining that I was being threaten with harm/death, because there was paperwork in possession of midwest inmates, stating that I provided information to the government about drugs and murders, and I was labeled a snitch. (SEE EXHIBITS 5, 6, 7, 8, 9, 10, 11, 12, and 13).

Due to the U.S.A. and F.B.I. staff failing to acknowledge my cop-outs, and protect me from harm, of which they were aware, U.S.A. and F.B.I. staff recklessly ignored the serious threats to me, and deliberately indifference to their legal duty to take action to protect me which resulted in me being assaulted by midwest inmate Jerome Hughes #06386-090. (SEE EXHIBIT 14).

From 04-21-17 - 04-27-17, I mailed Inmate Cop Outs to S.I. John Doe, Warden Cookley / Aw Keys / Capt John Doe, and warden Cookley, explaining that I was assaulted, on 04-20-17, by a midwest inmate, my life was in danger, I was being threaten with harm/death by midwest inmates, because I was labeled a snitch, and I requested protection custody, (P.C). (SEE EXHIBITS 15, 16, and 17)

On 05-09-17, I wrote a letter to U.S Congressman Wm. Lacy Clay, of St. Louis, Mo, explaining that I have informed F.B.I. USP H02 staff that on 04-20-17, I was assaulted by a midwest inmate, my life is in danger, I am being threaten with harm/death, by midwest inmates that, if I return to G.P., I would be assaulted or killed, because I provided information to the government, and I was a snitch. (SEE EXHIBIT 18). On 06-15-17, warden Cookley responded stating it was safe for me to return to G.P. (SEE EXHIBIT 19) -12-

[illegible]

On 08-01-18, ~~enroute~~ Midwest inmate Antrez Carlisle #13000-025 walked from HU F-A, down the side walk, through three metal detectors in the corridor, and into the cafeteria, and began beating me in the head, face and wrist, with a metal lock attached to a belt. I was thereafter rushed to the institutional medical department, where it was discovered that I was bleeding from the head, and wrist, and I had to be stitched up. Thereafter, I was escorted to SHU. (SEE EXHIBIT'S 38 and 39).

As a result of the 08-01-18 vicious beating, I had several injuries to the face, head, and wrist. I suffered through episodes of dizziness, nausea, vomiting, pain in head, face, and wrist. I am psychologically traumatized by the assault, which continues to affect my mentally, and physical health today, and will continue to do so in the future.

Given my plea to be placed in P.C before the second assault, U.S.A and F.B.I employees had a duty to

take some action to protect me from imminent threats, posed by midwest inmates. U.S.A and F.B.I employees recklessly ignored the serious threats to me or deliberately indifference to their legal duty to take some action to protect me. The U.S.A and F.B.I employees failure to take any action to protect me, resulted in the beating that I warned of, causing me grievous person injuries, pain, and suffering, loss of life pleasure, and emotional distress.
